

Our Newest Prayer Letter

Dear Pastors, Friends, & Family,

June 2017

Once again, we have been traveling all over; we are looking forward to only being in Florida and Georgia over the next month. I am excited to report that we are currently at 73% of our needed support! Also, we are planning a survey trip to Mallorca the last week of August. I was able to go by myself back in January. I was thinking about the good it would do my family to go as well. After talking with my pastor and his wife, I decided to go head and try to take them. Pray that God will allow us to learn a lot on this trip and that we come back ready to finish deputation strong.

We have enjoyed a few unique opportunities this last month. We were at a church in Indiana for their faith promise banquet. They were revising their missions program, and it was great to see God work in a great way. One Saturday while we were in Michigan, I got to be involved in a basketball crusade with a missionary with Rock of Ages, Brian Heath. We went into the prison and played a real basketball game with refs and everything against the prison team. We actually won the game, but more importantly, I got to preach at halftime. Afterward, four inmates came forward and accepted Christ as their Savior! The next Monday, Christy was able to teach at a ladies meeting in a different city in Michigan. The church was really going through a hard time with several of their ladies dealing with different illnesses. The pastor's wife said that Christy was a blessing to them. It is always a privilege to have a small part in different ministries.

Once again, we are very grateful for all the Lord has done for us and for all your support, both prayerfully and financially.

Markie Bullock
