

August 2018

Dear Pastors, Friends, & Family,

Happy August! I guess by now most of you are getting back in the swing of the school year, or you soon will be. Here in Mallorca, summer is still going strong; July and August are our summer months. People from all over Europe and other parts of the world are here for vacation, and everyone who lives on the island has left for their vacations.

With that being said, there is not much to be said about our search for a building for our church. We have found a building we would like to rent. However, the guy who can help us with zoning and permits has been on vacation; we are hoping that he will get back with us this week on whether or not this building will be approved for religious use. Now, the owner is on vacation, so we cannot meet with him. Then we leave this week for a conference with our missions agency in Germany and will not be back until next Saturday. Hopefully, we will know something soon. We will keep you up to date.

Exciting News!!!

We had a missionary family visit us on their survey trip this last month. Jason and Jessica Stanley have over 60% of their support raised and have decided that God would have them come work with us here in Palma de Mallorca! Our boys are very excited about their one year old boy, Colton. It is exciting to watch God bring things together. We are extremely excited to see what God has in store for all of us here in Mallorca. We know this is supposed to be a hard country to reach people in and that we are still considered young and new here, but we believe, and it feels like, God can and will do great things here in the Balearic Islands of Spain.

Thank you for your prayers and support,

Markie Bullock
