

May 2019

Dear Pastors, Friends, & Family,

Things are progressing here in Palma de Mallorca! Last month we had the group from Georgia come and help us with the remodel. The group included my parents, faithful men that I have known for most of my life, and Jason Stanley, who will be moving here to work with us later this year. It was truly a blessing to have them here! They worked extremely hard! By the time they left, they were very exhausted, and things were down to some final details. Since they left, we have finished the painting, done a lot of cleanup, and are getting closer to being finished everyday. Last week I got an estimate for both the air conditioning and the signage out front. According to the rules of the apartment buildings, the air conditioners have to be put on the roof. The estimate came out to about six thousand dollars to put everything in. We are trusting that God will provide the necessary funds for this part of the remodel. He has already provided so much for us; we have no doubt that He can handle this too! I have included a picture but will send a better one once all the details are complete.

Also, we are excited to announce that we have decided on a date of June 23 for our first service! The Spanish pastor, Joaquin Lopez, that sponsored us so that we could get permission to come to Spain will be joining us for that first service. Obviously, we are super excited!!!

We are very thankful to two other groups of people: the churches who have given so graciously to help with the remodel and several different children's classes who have emailed us and even mailed us letters. It is awesome to know that you are all behind us. Thank you for being so good to us!

Thank you for your prayers and support,
Markie Bullock
