

July 2019

Dear Pastors, Friends, & Family,

It has been a great month! We were able to have our first service at Community Baptist Church here in Palma de Mallorca, and our second and third. Our first service was June 23rd; we had 19 people there! We had the four of us, four from Bro. Joaquin's church, and eleven visitors from here in Palma. One of the visitors was our seventy-six year old landlord who had never been to anything other than a catholic church. After the service, we had a time of food and fellowship that people stayed at for several hours. Everyone that attended has now heard the gospel at least once! Now we pray that the Holy Spirit will work on their hearts. We want to say thank you again to all of you who have prayed, given, and sacrificed to help us get to this point! Also, we had had four more churches give towards getting the church remodel paid off! God has been so good to us!

As far as our family is concerned, we are all thoroughly enjoying the summer. Christy and the boys finished school just before the first service at the church. This week, Nick and Sam are in basketball camp everyday. We have also driven out to a few of the smaller towns around us and did a little exploring, including this amazing cave. There are so many places here on the island that need the Lord. Please continue to pray that God would use us here and send others.

Thank you for your prayers and support,  
Markie Bullock
