

the Bullocks to Spain

November 2020

Dear Pastor, Church Family, and Friends

A supporting church asked me for a few photos updating what God has been doing. As I was putting them together, I got excited! So instead of a prayer letter this month, I am sending you a “picture update”. I hope it is encouraging to you as well, because this is all possible because of your support and prayers. One of the most exciting things is that God has done all of this during COVID and with many, ever-changing restrictions. I understand that this is a little different and that it might be difficult for those who like to print out the prayer letters, but it was too exciting and encouraging not to share.

Thank you for your prayers and support,

Markie Bullock
