

November 2022

Dear Pastors, Friends, & Family,

We are back on our beautiful island! I am here in my new office in our new building getting ready for our Wednesday evening service. We enjoyed our short, six-week furlough to the west coast. We were able to visit all of our supporting churches/pastors in Washington, Oregon, California, Arizona, and even Sonora, Mexico. We probably ate too much American and Mexican food, but it sure was good! It had been almost five years since Nick and Sam had been back to the States; so we made the best of it. We also got to see all of Christy's family; it was a great time for all of us. It was an exhausting yet encouraging trip.

While we were gone, Nieves, a lady who had recently gotten saved, finished up her discipleship class and told us that she wanted to get baptized. Nieves is 47 and is from here in Mallorca and lives just a few blocks from the church. Her mother Magdalena, 85 years old, has been a Jehovah's Witness for 30 years. Nieves has really been burdened for her and began trying to witness to her the best she knew how. A few weeks ago, she was able to lead her mother to the Lord! Christy and I went over to help her make sure because she had many questions. After talking with her, it was clear that she indeed had placed her faith in Christ. It was a very sweet time. She kept saying, "Nieves told me...". She talked several times about how that now she knows that Jesus is God, and they had never told her that. It's fun watching people get saved, have a burden for someone else, and then get to lead them to the Lord.

Tomorrow we will be going over to the Stanleys' for Thanksgiving and Sunday we will be celebrating it with our church, although it is not a holiday here. As I sit here thinking about tomorrow, I cannot help but think of all that you all have done for us through giving, prayer, and friendships. I am very grateful for each one of you and for the part that you have in what God is doing here in Palma de Mallorca! Happy Thanksgiving!

Thank you for your prayers and support,
Markie Bullock
