

# *the Bullocks to Spain*

October 2023

Dear Pastor, Church Family, and Friends,

Good morning. I hope your weather there is as good as it is here on the island. This month, I wanted to do something a little different than the usual letter, and they say a picture is worth a thousand words so here's a few thousand words.

*Top Left:* A family that got baptized all together back in the spring, except Saraí (on the right). She got saved two weeks ago!

*Top Right:* The first Bible study our church has started; it is in the city of Port Andratx, headed up by Carlos and Rounnellys

*Bottom Left:* I officiated my first wedding in Spain and in Spanish.

*Bottom Center:* Our family attended a missions conference in Sevilla, Spain.

*Bottom Right:* Our cute nursery kids.

Thank you for having a part in everything that goes on here in,

*The Bullock Family*
