Psalms 107:8 "Oh that men would praise the Lord
for His goodness ... to the children of men."

March 2009

Dear Prayer Partners,

Burr-Burr! This has been a cold, snowy and icy winter. We have had ten snow and ice storms. Tonight we are expecting our eleventh storm. As a result of all of these storms, we have about three feet of snow and ice in some parts of our yard. It just will not go away. Despite the extremely cold weather, our Christmas program (which was directed by Carolyn) was well attended. We were blessed to have all of the children's parents, and some grandparents, there to hear the Christmas story and the Gospel of Jesus Christ. Most of the children have received Jesus Christ as their Savior, while the parents have not. Please continue to pray for them.

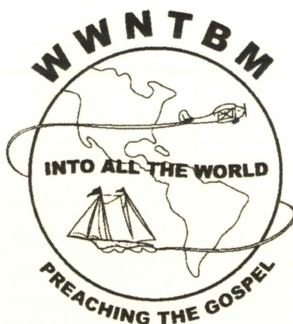

In January, our faithful church member, who was hospitalized after having a stroke, went home to be with her Lord. Her funeral gave Joe an opportunity to preach to more than one hundred and ten people. Most of those who attended were members of Dorothy's family. She had seventeen children; eleven of them are still living.

Little did we realize in February of 1989 that our Lord would bless Carolyn and me with the privilege of serving Him for these twenty years. When we went to Majuro in the Marshall Islands that year, we had no idea that we would also serve in the Federated States of Micronesia, on the Island of Yap and then have the privilege to move here to Nova Scotia, Canada. Despite some difficulties, these were and continue to be the best years of our lives.

To say thank you does not seem to be enough, so please know that Carolyn and I are praying for our Lord Jesus Christ to bless you now and reward you in Heaven for your faithful prayers and support over the years. We are looking forward to many more years of service, according to our Lord Jesus Christ's will.
