

THE CARDENS

See The Harvest Director for WWNTBM

Dear Praying Friends,

"Great is the Lord, and greatly to be praised; and his greatness is unsearchable. One generation shall praise thy works to another, and shall declare thy mighty acts."
- Psalm 145:3,4

These verses come to mind when writing an overview of the past month. We have much to praise our Lord for! Firstly, as our deputation journey continues, our calendar has slowly been filling up with meetings! We were privileged to present at Layton Chapel Baptist in Anderson Creek, NC at the beginning of the month, and we dropped in on several churches during our open dates.

Secondly, God gave us a wonderful and profitable mission in Grenada this month! Our team worked alongside Pastor Anderson Gibson and the First Baptist Church of Berrotte to have an open air street meeting, youth/discipleship conference, discipleship movie night, and fun youth activities! Our sending pastor, Mike Barnette, was the keynote speaker.

Thirdly, in Grenada, we were able to spend most mornings with other missionaries and pastors on the island. We learned the history of ministry there, how God is currently moving, and the great need for Christ amongst the unreached in surrounding areas. Simple encouragement can go a long way for those serving on the mission field, and it's often an overlooked part of missions ministry. It was such a blessing for our team to be used in this way.

God is worthy of our praise for these things! We ask that you continue to keep us in your prayers as we share our burden and ministry with churches next month. Also, we will be attending WWNTBM Family Week in April. As always, thank you for your continued love and support!

For His Glory,

Cody & Nikayla Carden
