Dear Praying Friends,

What a great start to the year it has been! The Lord has certainly shown his goodness to us over the last month. We spent most all of January at home in Kings Mountain, except for one meeting in VA at the end of the month. Being at home, we were able to spend a bit of time at our sending church, which was very refreshing! It has been unusually cold here in North Carolina this month, with several winter storms affecting our area, Atlas didn't know what to think of the extra cold temperatures!

We spent most of our time calling, emailing, and contacting churches in order to fill up our deputation calendar for 2026. Praise the Lord for many meetings scheduled this month. It was also a great blessing to have a church partner with us in January, after being with them last May!

Planning for our upcoming STH trips was a major part of our ministry this month. Meeting with our missionary/ministry partners in order to work through logistics. We are super excited about what the Lord is going to do with our teams, as the application windows are closing within the next two months. It would be great to have you as part of our team, come see what God will do for yourself!

In June, the FIFA World Cup team will be assisting the City Baptist Church of Atlanta in a massive evangelistic outreach around the Mercedes Benz Stadium area of the city. There will be thousands upon thousands of people coming to support their country play in the cup, and we aim to get a copy of the Word of God in as many hands as possible. Your church can get involved, as a lot of the world is coming to us! Please email me if your church would like to take part in this opportunity (cody@wwntbm.net)!

We would be grateful if you partnered with us in prayer about these requests during February:

- **Atlas.** Pray with us that he remains healthy as our first year of ministry with him ramps up!
- **STH Teams.** Our teams for this year still have many spots available, pray for those who are on the fence, that they would commit to seeing God do a work in their life through a missions trip this year.
- **A Larger Vehicle.** We are in need of a larger family vehicle as our deputation ministry continues. We are raising funds for this need, and are currently at **2% of our \$27,000 goal**. Please pray God meets this need! If the Lord leads you to give towards this goal, please email me directly.

For His Glory,

Cody, Nikayla, and Atlas Carden
