

THE CARDENS

Dear Praying Friends,

Thank you all for your prayers, we can tell you have been lifting us up! In February, we had several deputation meetings, as well as meetings with three of our current supporting churches! We started the month in VA and eastern NC. It was wonderful to be able to present our ministry in several new churches, and also see some of Nikayla's family along the way. The trail continues! I was privileged to speak at Kerwin Baptist Church's "Ironmen" Bible Study this month as well. It was a great time with the men of KBC, praying and hearing from God's word together!

Our STH Teams for this year have also seen more interest, as a couple individuals have applied to come on our trips this month, and others God put in our path to encourage! The Lord is working. We pray all our travelers will come with an open heart and mind to what God can do in their life this summer.

We want to give praise to the Lord, as this month marked one full year since beginning deputation! We are so grateful for the ministry partners we already have, and the ones we will encounter in 2026 going forward.

Our Family is doing well, and we are about to leave for a long trip of meetings in March! We will be in Virginia for most of the trip, but also parts of Maryland and Pennsylvania. We will be on the road for about five weeks total! We praise the Lord for filling our calendar for March, as this is the longest stint of meetings we have had since beginning deputation.

We would be grateful if you partnered with us in prayer about these requests during March:

- **Atlas.** Pray with us that he is a trooper for our long 5-week trip next month!
- **STH Teams.** Our application window for 2026 trips is closing in March, pray that the Lord gives us the teams we need in order to accomplish the ministry projects on the field!
- **A Larger Vehicle.** We are in need of a larger family vehicle as our deputation ministry continues. Many of you have been praying for this, and we thank you. Please continue praying, as our need for this grows with every month. The Lord can provide!

For His Glory,

Cody, Nikayla, and Atlas Carden
