Dear Praying Friends,

What a busy month of ministry! In March, we had a completely full schedule of meetings. We began in SC visiting one of our supporting churches, and from there, traveled north to VA, MD, and PA. We spent most of the month with meetings all around the state of VA. Driving distance totaled almost 1,500 miles this trip! Praise the Lord for keeping us safe on the roads with no incidents! Many of you were praying for this trip, as well as Atlas to be a good sport. Thank you so much for that, the Lord certainly heard and answered your prayers!

As we look ahead into April, we'll be basing out of our home, which is a great blessing. We're also looking forward to WWNTBM Family Fellowship week, where we'll rub shoulders with our WWNTBM missions family and friends for a refreshing conference. This will also be a great opportunity for us to learn how STH can be a better help, encouragement, resource, and tool for missionary families serving around the world.

The application window for our 2026 STH Teams ended with March as well. Now, we can begin finalizing our trip agendas, along with travel logistics. Its going to be a great summer!

We would be grateful if you partnered with us in prayer about these requests during March:

- **Passports.** All three of us are awaiting new passports, please pray we are able to get them back in a timely manner!
- **STH Trip Planning.** As the intensive planning begins for our teams, pray we are able to finalize travel logistics without any complications!
- **A Larger Vehicle.** At the moment, this continues to be our biggest need. As Atlas gets bigger, we can no longer travel efficiently in our current vehicle. We have a vehicle fund set up through WWNTBM, if you feel led to help with this financial need, please email me directly. (cody@wwntbm.net)

For His Glory,

Cody, Nikayla, and Atlas Carden
