

THE CARDENS

See The Harvest Director for WWNTBM

Dear Praying Friends,

May was a great month of ministry! The first two weeks, we based out of home. We caught up on appointments, finalized trip logistics for our summer teams, attended graduations, and visited with family. Nikayla also enjoyed her first Mothers Day with Atlas! Thankful for her and all she does behind the scenes to keep our family going.

Thank you for your prayers while I traveled up north. We had a great Missions Conference at the Pleasantville Baptist Church in New Castle, DE. Hearts were stirred towards the mission field, and all the missionaries had the privilege to preach several times. The day after I returned home, we packed up and headed down to Florida. We spent time in Tampa, Ormond Beach, and Ocala. We had some wonderful meetings, made new ministry friends, enjoyed a couple days of family time in the Florida sun, and reported at one of our existing supporting churches. Overall, we couldn't have asked for a better trip!

Now, we have returned home for a short time, as we prepare for our FIFA World Cup trip to Atlanta. We'll be in Atlanta from June 12-22, with lots of ministry taking place during that time. Not only will we be doing the FIFA World Cup outreach, we will also be helping two local churches with their Vacation Bible School ministry while we are there. We are excited about getting busy for the Lord in this inner-city ministry!

We would be grateful if you partnered with us in prayer about these requests during June:

- **Atlas.** Beginning in June, Atlas will be starting Cranial treatments with a band/helmet that he has to wear for 23hrs/day for the next 3-4 months. Pray for this adjustment for both him and us as we take care of him. The band will help his skull develop properly.
- **STH FIFA World Cup.** We will be heading to Atlanta on June 12th. Pray God does a mighty work through both our team and the City Baptist Church of ATL.
- **Vehicle Fund.** As per our previous letter, please continue to pray God provides for our vehicle fund. We are currently at **\$3,500 / \$40,000.**

For His Glory,

Cody, Nikayla, and Atlas Carden
