Dear Praying Friends,

Thank you for your prayers and encouragement during June! We started the month off in Florida, Tennessee and South Carolina, but our main focus during June was our STH Atlanta team. What an incredible time we had! The Lord truly worked in hearts as our team had the opportunity to participate in outreach for the FIFA World Cup and also Vacation Bible School through the City Baptist Church of Atlanta. The literature given out during the World Cup included both an English-Spanish book of Romans and a map of downtown Atlanta with the plan of salvation on the back. Our team was present for 3 matches, and in just 3 days there were about 13,000 pieces of Gospel material given out! We also saw one woman accept Christ on the street amongst the crowds. Praise the Lord!

Vacation Bible School at CBC took place during the same week, and our team helped with setup, operation, and teardown. It was all hands on deck, everyone had multiple jobs! There were a total of 43 kids that attended, with 13 of them making professions of faith in Christ. The Lord truly blessed the efforts of our team and City Baptist Church!

Also, in June we had several churches partner with us for monthly support, raising our support level to **26%**! We are thankful to be partners in ministry with so many of you.

We would be grateful if you partnered with us in prayer about these requests during July:

- **Atlas.** Throughout the next few months, Atlas will continue to wear his helmet/band. He has adjusted well, but the heat of summer makes it uncomfortable for him.
- **World Cup Efforts.** Please pray for our friends at CBC in Atlanta as they continue the world cup outreach through the month of July.
- **STH Scotland Team.** Our Scotland team will be arriving in country on July 4th, we will be a part of several ministries with Bible Baptist Church of Dundee over 14 days.
- **Vehicle Fund.** Continue to pray God provides for our vehicle fund. Currently, we are at **\$5,250 / \$40,000**.

For His Glory,

Cody, Nikayla, and Atlas Carden
