

THE CARDENS

See The Harvest Director for WWNTBM

Dear Praying Friends,

August was a fruitful month for us! The first part of the month was our STH Dominican Republic trip. From July 31 - August 10, our team was able to assist the Germano family in Barahona, Dominican Republic. Located about 4 hours west of the capital city, Barahona is somewhat of an isolated place, desperately in need of the Gospel. The main focus of our trip was to assist the Germano's, and their church, with their annual English Camp. This is a 5 day camp where kids are assigned to one of two teams, taught english grammar, receive a lesson from God's Word, and have lots of fun with games and other activities! There were a lot children signed up for the event, totaling almost 40! Not all of them attended, but we were able to have a rotation of different kids and visitors throughout the camp. I had the privilege of teaching several of the bible lessons, as well as preaching for Bro. Germano during a Sunday service. God truly blessed our trip, and it was such an encouragement to get to know the Germano family! We will certainly be praying for them and their ministry as they continue the work there in Barahona. Now that all our STH trips are finished for 2026, we back on the deputation trail!

We have already begun planning our trip opportunities for 2027. Croatia, Scotland, and New York City are on the calendar! We would love the opportunity to take our supporters to the mission field with us, don't hesitate to reach out and see what God can do in your life next year!

We would be grateful if you partnered with us in prayer about these requests during September:

- **Atlas.** He is almost finished with his band treatments, only 4 weeks left! Pray he finishes strong!
- **Scheduling Meetings.** The late fall and early winter months are difficult for missionaries raising support, please pray we are able to schedule meetings during these dry months.
- **Vehicle Fund.** God is providing for our vehicle fund! We are blown away at what God has done thus far, keep praying! Currently, we are at **\$23,095 / \$40,000**.

For His Glory,

Cody, Nikayla, and Atlas Carden
