April 2008

*“Let your light so shine before men, that they may see your good works,
and glorify your Father which is in heaven.” Matt.5:16*

March was a busy month with much going on. I was able to be in 6 churches in 3 states, participate in a friend's wedding, visit with my brother and sister-in-law who flew in for Easter, and wrap up the month with a drive westward to Arizona! I praise the Lord for the safety and provision He provided through it all! I also appreciate the many opportunities He gave for ministry. One opportunity that was a special blessing to me was the chance to share my testimony and the Gospel with several girls from a women's prison facility in IA. It was great being able to talk with the girls there – what a tremendous ministry for the ladies from the church who are able to visit and share God's Word with these girls regularly! It's a wonderful ministry, and one that needs much prayer!

Prayer Requests:

*Please pray for continued safety as I travel within Arizona/Nevada throughout April, and then as I head home at the end of the month.

*I have had the opportunity to write to a young lady in Sweden – please pray for further correspondence and opportunities to witness.

*Please pray for an increase in support and further scheduling of meetings.

*Please continue to pray for the Morells and the Deliches in Sweden and the church they are planting there. Please pray for the contacts they have made – for those they are discipling, and for those they are seeking to reach with the Gospel.

*Please pray also, as I have a need to get the air conditioning fixed in my car (the compressor is shot).

I greatly appreciate your faithfulness in prayer! What a vital part of missions! May the Lord bless you as you continue to serve Him! May your lights shine brightly for the Lord in this world of darkness!
