Dear Praying Friends,

Here's a bit of what's been going on here in Jönköping this summer!

Church Camp

Church camp is always an encouraging and fun time! Though it was a bit rainy/gray (and the gnats were in serious attack mode!) it was a wonderful time of fellowship together as we focused our attention to the teachings in Acts 2:42. It was such a blessing being able to have that time together as a church family!

Bible Club—Part 2

We were also able to have another Bible Club—just a day club this time around! Summers can be tricky as a lot of the kids are gone on vacations with family! But there was interest, so we planned something! This time, we met at a picnic table out in the yard—and kids sort of just kept showing up as we went along! We focused on creation—working on building a foundation that we can continue, Lord willing, to build upon! Please continue to keep these precious kids in your prayers! And pray for

Riley's Corner

Hej Friends!

Hope you're all doing well! For me, well, I'm doing pretty good—but it hasn't been my summer! Unfortunately I had some problems with my ears and had to go to the vet a few times. And now I think I might be allergic to something—or something like that! My feet won't stop itching—but my mommy won't let me keep on licking them, so now I have to wear a cone some of the time. I hope they can fig-

ure out what's wrong so I don't have to wear this thing much longer!!!!

Bible Studies

I've been enjoying the time I have each week to meet with the young woman from Nicaragua! It's such a blessing to be able to study God's Word with her—and her kids! Please pray especially for her son! He's started to ask a lot of questions—about faith and God. Please pray that God will really do a work in his heart and life!

Church

We were greatly encouraged last week with several visitors in the church—including a young couple who just moved back to Jönköping and were seeking a church! It sounds like they are planning on continuing to come! Praise the Lord! Please continue to keep us in your prayers!

USA

My sister will be getting married in October, so, Lord willing, I'll be flying back to the States on October 2nd. I also plan on visiting a few area supporting churches while back in WI! I have meetings

lined up with a few already! I plan to be in the States for about all of October. Please pray for safety and for all the details to fall into place! I'm looking forward to being able to spend some time with family!

Conference

Our ladies' conference is getting closer and closer! Please pray for the details/planning! Please pray especially for our speaker, Cindy Peterson, as she and her husband travel over here and as she prepares to speak to us! Please pray for those who are planning on coming—that God will begin preparing/working in all of our hearts! I'm excited for this opportunity and praying that it can be a real encouragement for all of us in our walks with God—and our service to Him!

As always, thank you so much for your prayers and support! Thanks for your involvement in the ministry here in Sweden!

For Christ Alone,

ure out what's wrong so I don't have to wear this thing much longer!!!!

But I have some happy news! I found out that I get to go to the USA with my mommy in October! I'm a little nervous about flying on the airplane—I have to ride in a special crate that goes under the plane—but I'm excited to see the States—and to visit my mommy's family...especially their cats! :) Please pray for me that I won't be too scared—and

that the flight would go really well!

Hope you have a great rest of your summer! Stay cool!(I heard a lot of you have had lots of super hot weather! Wish I could share with you some of the rain and cold we've had here!) Be safe!

Your Pal!
