Dear Praying Friends,

Happy almost spring! We had some great spring weather a bit over a week ago, but now we're back to snow. That's just the way it usually goes this time of year!

I hope you are all doing well, staying healthy, and enjoying opportunities to serve the Lord wherever you may be!

Easter Program Recording

We have been hard at work getting our Easter program finished up, recorded and ready for distribution.

Please pray for this endeavor.

The program, Guds löfte, vårt hopp (God's Promise, Our Hope) is currently up on our church website and on YouTube. (Feel free to check it out if you are interested!)

I am now preparing flyers with church/program information (including QR codes) for distribution in the coming weeks in an effort to get this program/the Gospel message into people's hands and mailboxes!

Please pray that people will be receptive to the Gospel!

We were able to get our new church website up and running!

Please continue to pray for us as we

continue to reach out with the Gospel in our communities!

Neighborhood Outreach

I have been able to continue Bible study with a woman in my neighborhood. We meet every Tuesday and are continuing our current study in 2 Samuel.

I have also been able to continue somewhat with Bible club. Though we have been unable to use our usual location, the girls enjoy being able to meet at my place, so it works out well! Both girls now have had Covid, so our meetings have been somewhat sporadic in the past couple of months.

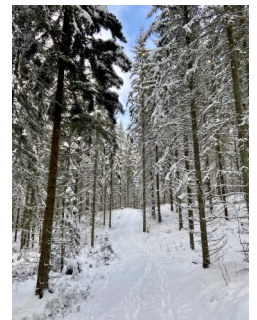

Please pray for J as she is continuing to recover from the virus!

Lord willing, we will be able to continue with our neighborhood coffee times as the weather improves and we are able to meet outside!

Thank you so much for your prayers and support! You are all greatly appreciated. I pray for you as well. May God bless you in your service to Him!

For Christ Alone,

Hej Friends!

Guess what!? I'm 10 years old now! Can you believe it? Honestly, I don't really think about birthdays, but I'm not going to argue with vanilla ice cream and dog treats!! And I was so excited to get some more snow on my birthday! So much fun!

I enjoyed helping my human with the Easter program. Sometimes I would sit on her stuff so that nothing could get away from her! Other times, I would make sure to interrupt my thoughts and ideas when it looked like she was deep in thought! I don't think she understood my

barks, though. She seemed to think that I was just wanting a belly rub. Of course, in my opinion, a dog should never turn down a belly rub! ;)

I did have a sad time in January, though, because a friend of ours passed away. He was 98 years old and just couldn't get better from covid. I miss him, but he was saved, so I know that he is happy up in heaven and rejoicing with his Savior!

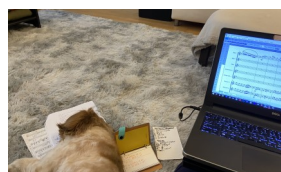

My human says that it's a good reminder to keep on telling people about Christ! No one is guaranteed a tomorrow. I hope that all of you know for sure that you are on your

way to heaven when you die! If not, now is a good day to make certain of it!

I hope you all have a great spring! Enjoy the sunshine (and the snow for those of us still dealing with that)! Be safe and healthy!

Your Pal,

Riley
