

Dear Friend,

Thank you so much for your faithful prayers and support! Upon talking with my sending pastor, I have set a tentative goal of leaving for the field by the end of October. While there is still uncertainty with Covid-19 travel restrictions and additional financial support needed before departure, my desire is to be prepared and ready when God opens the door. Would you pray about the following needs as I prepare to start my life and ministry in Grenada?

Vehicle: \$6,000-\$7,000

Plane Tickets: \$400

Rent Deposits & Home Appliances: \$5,000

Medical Fund: \$500

Emergency Fund: \$1,000

Shipping Costs: \$1,000

If you would like to give towards one of these, please designate in a memo "Childers Start Up Fund." Any giving can be done through my mission agency WWNTBM (See Address Below) or on my website, Pray4Grenada.com. I am also registered for smaller needs at MyRegistry.com (search for my name).

Thank You!
