Dear Praying Friend,

October 2020

This has been a month full of learning experiences and faith-testing, but God is continuing to answer prayers. An additional church decided to partner with me and God's work on a monthly basis. God also prompted two pastors to contact me and schedule to have me attend their churches missions conferences in November. Please pray as I travel to Indiana, Pennsylvania, and Kentucky. I am excited for the opportunity to meet more believers who are considering partnering with me as I near the end of deputation and prepare to go to Grenada.

Please pray urgently that my start up funds will be received in their entirety within the next one or two months! My desire is that as of December 1<sup>st</sup>, 2020, God will provide the necessary funds to prepare for moving and living in Grenada.

God has been doing great things! I am thankful to be having fewer allergic reactions and overall better health. Thank you so much to those who have financially contributed towards my medical fund for treatments.

I appreciate your faithful support and prayers. Thanks for serving the LORD.

Sincerely,

Rebekah Childers
