### Special Projects 2022...

We need to raise approximately \$15,000 USD towards expanding our current church building to include a new wing for the academy with the goal of creating two additional elementary classrooms. We are excited to have two nationals planning to come teach with us. We will also be starting a preschool. Please pray as we have now started to advertise enrollment for the 2022-2023 school year. If you would like to give towards this project, please send funds payable to Joseph Childers... *B.I.M.I, Acct. #1481, PO Box 9, Harrison, TN 37341 (Memo: LBCA Building project).*

I have created an “Amazon wish list” with items for my personal kindergarten and youth classroom. A link to this list is located on my website *pray4Grenada.com*. **Any items purchased should be mailed to:** Rebekah Childers C/O Alexander Family, 1834 Caton Ave. Apt. F, Brooklyn, NY 11226. *(These will be shipped together by barrel to Grenada to minimize customs payments. Sometimes, receipts are not included, and/or lost in shipping. Please contact me so I can be sure to know who sent the items.)*
