Dear Praying Friends,

I made a list of how the Lord has been blessing the ministries this past month...what a great list!

The young lady who stayed with me this month, Jemima, turned out to be an incredible blessing and help in the ministries. She taught in our children's ministry, led a teen girl's study, participated in special music with her flute and voice, started up a choir at Vila Nova, not to mention many small details that helped my week run smoother! She shared that the Lord has begun burdening her heart for the work here in Porto Alegre and that she would like to come back each winter break (which is the month of July) during her coming years in Bible college.

The salvation of Rafaela—This is a 10-year-old girl who has been attending services at Vila Nova. Jemima and I had the opportunity to share the gospel, and she received Christ that day. Praise the Lord!

The salvation of Gabriel – This is one of the twins who is coming out to the kid's program at Lami. A few Thursdays a month, I meet with the twins to help them with their reading. Recently, when my helpers split up to assist one-on-one with the kids, Jemima was able to lead Gabriel to Christ. Gabriel recently testified of having placed his faith in Christ. We rejoice in the Holy Spirit's work in his heart!

At the church plant in Lami, the Lord brought in some visitors. Two moms came out on a Thursday: Natalia and Ester. Ester also brought a couple of teen girls, who are her neighbors: Emily and Juliana. Please pray for the salvation of each one.

A vanful of co-workers from the mechanics' shop came out to a service in Lami this month. We were thrilled to receive them, and it is incredible to hear their thirst for spiritual matters.

This past week we were able to take a group to their shop to minister in music. The owner has been requesting this, and Pastor Nathan has wanted to expose them to music that honors the Lord. Please take a look at the video; it describes the night better than I could with words. I also count it a blessing that as we were leaving, one of the mechanics noticed my tires were low and offered to take a general look at my car. I am so thankful for their help and advice!

I want to praise the Lord for good health and protection. The month was busy, but I am always learning the value of rest, whether during the day to recharge or just taking a day trip. I was able to see with Jemima the Itaimbezinho canyons that are here in our state and contemplate the magnitude of the flood. It was amazing.

It seems the Lord has been taking more of His own home. One of my supporters from Fellowship Baptist Church in Taylors, SC, Ralph Smith, is home with the Lord Jesus. He leaves behind his dear wife, Ruth Smith. Please pray for their family.

This past week on social media, I posted about the homegoing of a dear friend and servant of the Lord, a young lady named Luciana. She was married to Pastor Daniel Lima for two and a half years, about 18 of those months with the prognosis of pancreatic cancer. Please pray for the families and her brother, Lucas. Daniel and Luciana's testimony was of great trust in the Lord in the midst of this tremendous trial. I went to her burial; it was surreal that it was happening. Yet, we lean on the Lord and know that He is good in all things.

Thank you for your continued support and prayers.
