Dear Praying Friends,

Thank you so much for your prayers as I have been traveling. I do want to apologize for not getting an update to you sooner. I am grateful for the opportunity to see many of you, and I cannot begin to express what a blessing it has been to be so warmly received since I arrived in the US. It has been five years since my previous furlough, and each church and personal contact has been a great blessing and encouragement to me.

Of course, as I go to each church, I am encouraging you to visit the works and ministries in Brazil firsthand! We also take summer interns (or other seasons!) if you are interested.

Speaking of ministries, Br. Mike and Tammy shared that Pamela's cousin and her son came out to a service. These members of her family are spiritist, yet, at Yuri's request (the son), his mom brought him. That evening Pamela was able to lead him to Christ. We are so thrilled with his decision!

In April, my agency, World Wide New Testament Baptist Mission, hosted a family week for their missionaries and board members. It was an incredible time of refreshment and fellowship with testimonies and preaching. I am so thankful for my WWNTBM family!

I have visited many of my DC radius churches. I am moving into the north to visit churches in Pennsylvania, New Jersey, and New York before heading back to the Carolinas. I appreciate your prayers for me as I continue traveling and visiting churches. I have received some new meetings; thank you for praying for that. Lord willing, I will be able to set up a few more before heading back.

When I arrive back in Brazil, I am praying about purchasing a place and replacing my current vehicle. I have been saving for both and look forward to what the Lord has in place for me.

Thank you for praying for me as I travel and share what the Lord has done in Porto Alegre, Brazil. May God be magnified in every part.

Co-laboring together,
Tati Cordeiro
