Serving in Porto Alegre, Brazil

November 2022

Dear praying friends,

Happy Thanksgiving! What a privilege to serve our Lord Jesus Christ each day of our lives! Thank you for your faithfulness in your ministries and calling. We have many reasons to rejoice here in Brazil!

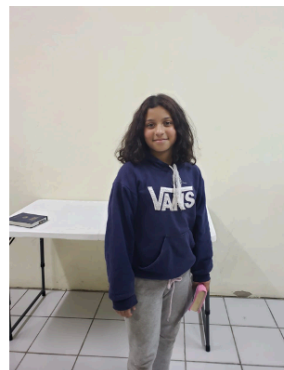

Children's Ministries

This past month was Children's Day on October 12th. We decided to prepare a children's program the Sunday before, starting an hour before the service. We took our church kids to their friend's homes and invited kids to come, and we had an amazing turnout. Our typical three or four kids multiplied several times over to around twenty kids. We came home exhausted but thrilled with the new contacts. As we (the Rings and I) brainstormed later in the week, we decided to incorporate games and activities 30 minutes before each Sunday evening service. Praise the Lord, we have continued to have a great flow of kids each Sunday and we have seen more workers willing to be involved in teaching and assisting.

Discipleship

Unfortunately, Rita's interest has waned in personal discipleship. We continue to encourage her and do see her come out to services. I have been focusing on our young church girls, teaching them on Sunday mornings and creating ways to encourage them in spiritual disciplines. They take notes of the service on Wednesday night, memorize verses, receive points for days they do their Bible reading, participate in handbells, and in preparations for our Christmas program. Please pray for Thayana, Larissa, Enayé, Thayná, and Emylly (not pictured) and their walk with the Lord!

Young Girls Event

Thank you so much for praying for me as I prepared to speak for this event. We had a fantastic turnout. The Lord helped me as I taught on what to do when emotions overwhelm us. One of my piano students, who is unsaved, came to the event. Earlier in the week, during our lesson, I asked the Lord to show me how I could witness to her. Beatriz asked me about the event during the lesson (having heard about it from my friend who works with her mom), and I was able to tell her that our color theme was based on the Wordless book. We went through the gospel that evening, and on the day of the program I went through the plan of salvation again. Please pray for Beatriz and her mom, Suellen (who is Catholic), for their salvation.

Music Teaching and Planning

This past month I have had some members of area churches request help in learning piano. I am working with three enthusiastic ladies and will be starting three children (violin). The purpose of this time investment is to help our churches have pianists and musicians. It is an honor and privilege to invest in these musicians.

Regarding our Christmas program, we have a wonderful, faithful group that is working on the script as well as several songs. Our program is marked for December 18th! I appreciate your prayers for not only our visitors but that the program itself will work in the hearts of our choir members. We are focusing on being a light to the world!

Personal

I want to praise the Lord! He guided me and helped me find an excellent, reliable, new-to-me vehicle. This past weekend I was able to take our ladies two hours out to our seasonal Ladies Conference. We had a wonderful day being ministered to in the Word and blessed with a dependable vehicle. Thank you for praying for me during this process.

May the Lord bless you!
