Dear Church families and friends,

We are moving!

It is truly amazing how the Lord placed this new church building in our lap. About three months ago, the Rings made a visit to a family member of someone visiting our church. In that visit, the lady pointed out an empty church building that had been put up for sale. We investigated further, considered the location, the building, and the contract they were offering, and began the negotiation process. This lot is about 10-15 minutes from the current location in a quiet neighborhood but just a couple blocks away from bus routes and main roads. Around two months ago, we took a tour of the building, and before the Rings went to their daughter's wedding in early October, we signed a contract to rent a year with these payments to go towards the purchase of the building. The total purchase price of the building will be US\$77,000. **If you believe the Lord would lead you to help with the purchase of the building, you may direct your gift to Fellowship Baptist Church, 614 Ikes Road, Taylors, SC 29697, with a memo: Mike Ring building fund.**

We are adding a new-old ministry!

The Rings and I have prayerfully considered coming alongside the ministry at Ponta Grossa to help for a temporary period. We left in 2015, with the positive vote of a pastor for the church, to focus on the church plant in Vila Nova. This pastor and family at Ponta Grossa continue to lead the church, but the ministry has struggled to grow. We will help with discipleship and have worked out a service schedule. The Vila Nova/Truth Baptist Church is merging to have all services on Sunday morning, and on Thursday nights we will meet for our mid-week service. On Sunday evenings and Wednesday nights, we will be at Ponta Grossa beginning in January. We ask that you pray for this ministry and for the Lord to build his church in this area.

Please continue to pray for Lucas and Isadora, our new converts, Maria Helena and Evelin's spiritual growth, and our teens Emylly and Thayana.

We are blessed with a spirit of unity among our church family. Our teen ministry now has a small team helping: Pamela and Josias. It has been a great help having more people involved in planning and leading our teens. Cibele has joined Tammy, Pamela, and I in our children's church teaching rotation; this has also been a great blessing and help. Thank you for your prayers for these ministries!
