Dear Brethren,

After a long search, we finally found a house to rent where we can accommodate twelve orphans. Zimbabwe has a higher number of orphans, in proportion to its population, than any other country in the world, according to UNICEF. In fact, as many as 1 in 4 children in Zimbabwe are orphaned as a result of parents dying from AIDS. In 2006, a Zimbabwe doctor explained to reporters: "Put simply, people are dying of AIDS before they can starve to death."

The name of our orphanage is "House Of Hope," for we are striving to bring hope, help, and healing to the children who are really hurting. We are presently doing much work on the house to make it liveable and comfortable. We are doing some electrical work and painting the entire house inside and outside, which will cost us \$1300. We need six double bunk beds for the twelve children, which will cost \$1200. We are kindly asking you to assist us in the purchase of these beds.

Apart from the beds, we need blankets, tables, chairs, towels, stove, refrigerator, food supplies, garden tools, etc. It will take about \$2000 a month to operate the orphanage. This includes rent, salaries for two care givers, electricity, water, food, school fees, etc. Whatever you can contribute will be deeply appreciated. It is my prayer that the Lord will raise up many caring Christians to stand behind us and support House of Hope on a regular basis. Your gift to this worthy cause is like sowing a seed that will take root and bear fruit in the hearts and lives of these precious children. The Lord will bless you for helping the children of Zimbabwe to see a better day and a brighter tomorrow. I am looking forward to hearing from you soon.
