Dear Friend in Christ:

February 16, 2018

Greetings in the lovely name of our wonderful Lord and Saviour Jesus Christ. How are you and your family? I do hope that everyone is enjoying good health and the blessings of the Lord. We are gratefully glad to God for giving us another year. Time is certainly marching on, and soon we shall march ourselves right into the month of March. Because time is ticking away speedily, let us work while we have the ability and the energy and the opportunity.

Please pray for me as I plan and prepare to be with Pastor Webster of the Good News Baptist Church of St. Maarten for the entire month of March. The purpose of this visit is personal evangelism, soul winning, witnessing, and house to house visitation like in Acts 5:42. Our desire is to bring hope into every home. Man cannot cope without hope, and the only hope is in Jesus Christ (Col.1:27). Lord willing, I plan to return to Zimbabwe in the month of June to continue the missionary work. The main focus will be soul winning and discipleship. We will begin with a soul winning conference in the neighbouring country of Mozambique. A shipment of 12,000 gospel tracts is already on its way to Zimbabwe for distribution. I earnestly covet your prayers and your support for this upcoming missionary journey to Africa. Your contribution for this mission will be deeply appreciated.

May the Lord grant you and your family good health and great success throughout this year. May this be your greatest year ever. Let us continue to pray for and support House of Hope Orphanage in Zimbabwe. Let us continue to live for the Lord and labour for the Lord and look for His return.
