Dear Friends in Christ:

Greetings in the wonderful name of Jesus, the prince of peace, and the only One who can bring lasting peace to a world that is in pieces.

As we reflect over the past months of this year and recall the dramatic and chaotic events that are taking place throughout the world, we are compelled to give thanks to God for taking us safely through these turbulent times so we can face the future with courage and confidence.

I thank God for calling me into the gospel ministry and for the many open doors of opportunity for evangelism. I was delighted for the opportunity to participate in the outreach ministry in St. Lucia during the month of August. We thank the Lord for those who were converted and were baptized earlier this month.

I thank God for the opportunity for preaching the Word in 5 different Baptist churches on the island of St. Croix during the month of November. I was glad for the opportunity of meeting with so many people and sharing the gospel. I am pleased that most of the people received the gospel. I am pleased that most of the people received the gospel tracts. It is my prayer that they will eventually be converted.

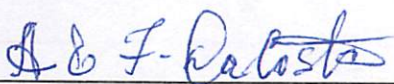

Thank you very much for your prayers and your support. Let's us continue to support House of Hope Orphanage in Zimbabwe and remember that one of the marks of pure religion is the care for the orphans and widows in their affliction (James 1:27) Enclosed is a picture of the orphans.

Your concern and your contribution for these precious children will give them hope for a better day and a brighter tomorrow. Remember this: "You cannot do a kindness too soon for you never know how soon it will be too late". Can you think of a better time to give to a worthy cause than during this Christmas Season?
