Dear Fellow Laborers,

June 2015

We have finished our first full month of being on the road without a house. Our house is now our 98 Buick Century and the open doors of friends and family spread around the United States. Every chance that we have the opportunity to spend time with friends and family is a blessed time for us. As we look back on the deputation trail, the time with our loved ones will be time well spent.

June was an excellent month full of meetings. We had the opportunity to present our ministry in a missions conference and three individual meetings. World Wide New Testament Baptist Missions Family Fellowship Week was the third week in June. As it was last year, the week was a tremendous blessing and time of refreshment. Our meetings were all in North Carolina this month, but we still managed to put 2,600 miles on our faithful car. It was a special blessing to be with the founder of our missions agency, Pastor Bill Wingard. Pastor Wingard has been praying for the Solomon Islands for around 35 years. Several years ago he encouraged his flock to start praying that God would send someone to the Solomon Islands. We were very humbled and encouraged to be the answer to that prayer. It was a special time with those dear people.

We have been busy working on updating facts and information about the Solomon Islands for a presentation. While searching, we found that the population has increased to over 600,000 souls. Of those people, approximately 82% live in rural communities in the mountains and jungles spread over 300 of the 992 Islands. What a tremendous opportunity to harvest souls in such an open and ripe field! Our burden continues to deepen and every time we look at pictures of the Solomon Islanders it gets harder and harder to still be here in America. We know that the Lord has us here, now, in order for us to become better prepared and equipped. Our prayer is that we will be teachable and quick learners so that we will be able to move very soon.

During the month of July, our travels include Virginia, Indiana, Illinois, and Missouri. We also will be able to spend some time with our sending church after being on the road for a month and a half.

Thank you so much for your prayers this past month. We had many specific answers to prayer. Through the generous giving of a church, the Lord provided new tires for the front of our car. We are thankful for a God who provides for us even when we are least expecting it and most definitely do not deserve it. May God bless you all as you serve Him in the place He has you.

Serving Him,  
Michael and Nora Deatrick
