Dear Brothers and Sisters in Christ,

August 2015

Summer is coming to a close and the month of August is over. We were kept busy with meetings in Iowa, Wisconsin, Missouri, and Michigan. This month our car hit a milestone in it's milage as we were driving through Chicago. I happened to look down in time to see the numbers hit 123,456. In all the excitement of asking Nora to get her phone out and hurry to snap a picture as I maneuvered Chicago traffic, I am thankful to say there were no injuries. The life of a deputation missionary is so exciting! Spending so many hours in the car, it doesn't take much to interest us. We are thankful for how our Buick Century has held up these past several months, but for the first time since I have owned it, we had some issues. We were on our way back to Missouri from Illinois for two meetings, and while we were on I-88 (in the middle of nowhere) my water pump went out. We lost all of the engine coolant too. It took about an hour and a half of letting the engine cool then driving a couple miles and repeating before we made it to an old farm house where we could get some water. The water got us to a Walmart where I was able to purchase the items necessary to patch it up enough to make it home. We are thankful for safety that the Lord provided and a generous friend only charging us for parts to get it fixed.

It was a blessing to be in several churches around the area in which I grew up. I was encouraged to see friends that attended the same youth camp as me and see how the Lord is working in their lives. A special treat was to see a roommate from my freshman year of college who is now an assistant pastor. We enjoyed a great Missions Conference with his family! We are encouraged every time we have the opportunity to fellowship with college friends who are staying faithful to the Lord.

We are excited to report that that we are now at 31% of our needed support and another step closer to getting to the Solomon Islands. As we look through and pray for our growing list of supporters, we are reminded of how very blessed we are! Each and every one holds a special place in our hearts.

For September, our home will be in Michigan for most of the month as we have several meetings here. We will be taking a quick trip to Buffalo, NY for a missions conference and then heading back to Michigan. We are so thankful for a church that has given us their prophet's chamber for the month. It is such a tremendous blessing to be able to settle down and be in one place for more than a week.

We think of you all often as we travel. Nora and I enjoy talking of the many friends that we have made all over the country. We are so grateful for your love, support and prayers. May God continue to bless you as you serve Him in your corner of the world.

All for Him,
Michael and Nora Deatrick
