Dear Fellow Laborers,

June 2016

I pray that you all had a wonderful time with friends and loved ones during the 4th of July weekend. I am very thankful for the freedoms we as American citizens have so that we can freely preach the Gospel.

June was an exciting and busy month. We traveled to five states for meetings and passed through several more. It was a blessing to present the Solomon Islands to churches in Indiana, Virginia, Tennessee, Connecticut, and Maine. We have put a good amount of miles on our faithful van this month, but we have had a wonderful time in the Northeastern USA for the past couple of weeks.

While in Virginia, we were able to attend our mission agency's Family Week that they hold annually. These weeks are always a blessing and encouragement to us. It is a nice change of pace from deputation and a time of relaxation and spiritual refreshment.

Another special blessing for this month is that we were able to present in two church that were planted out of our home church in Missouri. Both pastors and families are dear friends of ours, and we have really enjoyed our time catching up and reminiscing.

God answered a prayer that has been in the works for several months now. As many of you know, our future visa situation for entrance into the Solomon Islands has been an area of uncertainty. We are excited to announce that Lord willing, we will be able to obtain our visas through the newly established Oceania Baptist Outreach (OBO) that will be able to sponsor us into the Solomon Islands. Praise the Lord for His provision!

Our support has climbed a little higher this month. We are so thankful for two more churches that have partnered with us in our ministry. We are now at 65% of our needed support!

Please continue to pray for us as we finish up this month in Maine, traveling from church to church, and avoiding moose with our van. This coming week we will be doing a VBS for a church. We are excited about working with the young children and endeavoring to make an impact on their lives with teaching from God's Word. At the end of the month, we will make our way home to spend some time with family and our sending church. We are especially excited because we have not been with our home church for a service since Christmas. Thank you all for your prayers, encouraging notes, and support to our ministry and lives. May God continue to bless you all.

All for Him,

Michael and Honorah Deatrick
