YOUR MISSIONARIES  
**SOLOMON ISLANDS**

Dear Gracious Supporters,

Faithful is he that calleth you, who also will do it. Brethren, pray for us.

1 Thessalonians 5:24-25

These last few weeks have been full of preparations and goodbyes. It has been an amazing journey the last few years during our deputation. God has been faithful and His mercy and grace have been so easy to see through the trials. All Glory to God! We are finished with deputation and Lord willing, just less than 24 hours from our departure. Due to a unforeseen flight cancelation, we were not able to leave yesterday. Lord willing, we will be flying out of Chicago tomorrow, January 11 at 3pm CST and will be arriving in our new home approximately 31 hours later. We are thankful to have a house waiting for us when we arrive and are looking forward to settling in and getting started in the work the Lord has for us there.

We wanted to take just a moment and thank you all who have a hand in helping us through deputation. God has blessed us with the best supporters for which missionaries could ask. It is such a blessing to know that we have people who will be faithfully praying for us as we embark on our first term on the Solomon Islands. We will be in prayer for you as well. Lord willing, we look forward to being back with you all during furlough and reporting on what God is doing in the Solomon Islands.

If you would like to follow us and our ministry, we post frequent updates on Facebook, along with posting weekly YouTube videos on our channel. Just search "The Deatrick Family" on either site. We have chosen to use these forums so that we can more closely stay connected with you all and so that will allow you to know how to pray for us. May God bless you abundantly!

All for Him,  
Michael, Nora, & Corban Deatrick
