

Thank you for your continued prayers for our recovery from the fire. It has been overwhelming to watch God work the past few weeks. There have been some very specific answers to prayers we have had since the very beginning of our ministry in the Islands. We praise the Lord that we are also in the process of getting into a new rental facility. It is in need of serious repairs, but we are thankful that God has provided another temporary meeting place.

We have been in awe of all the people that have reached out and have graciously offered to help us recover from the fire. We have had to take this time since the fire to actually inventory what we lost between all of our ministry and household things. Thank you for your patience with us! An adult Sunday school class at one supporting church has committed to not only replacing the Children's Bible flash cards we lost, but completing the whole curriculum. Another Christian school is trying to raise the money needed to replace our chairs. What a blessing to have the family of God rallying around to help!
