Deputation Updates

On September 22nd, 2019 we started on full-time deputation. We packed up the travel trailer and stepped out by faith; the Lord has blessed and has been teaching us so much during our time on the road.

Our travels have taken us through North Carolina and up to Pittsburgh, Pennsylvania. I have been able to present our burden for Italy in five different churches, and we have been able to drop-in to several churches who have been kind enough to allow us to share our burden with them.

We have had a church take us on for support, which raises our current level to 4.8%, and our schedule for the new year is starting to fill up.
