### Deputation Updates

Happy New Year! The Lord has truly blessed us in 2019 and we are looking forward to the blessings in store for us in 2020. We had a cancellation in November that gave us a large opening in our schedule just before Thanksgiving, where we were able to go home and spend time with family.

The beginning of December we had some meetings in FL and KY. We were able to present our ministry in two churches. We were also able to drop in to more churches in Florida while we had some open services.

God filled up our calendar for January toward the end of December with a rearrangement of our schedule as we were being contacted to add new meetings by pastors.
