Emrys & Theo

Theo is starting to say some words. "Snack" and "Papa" are his favorite.

Emrys has enjoyed being in Sunday school classes and Awanas programs.

Both boys are doing well with meeting new faces but still struggle with being in the truck.

Updates from the Road

We started our year with a meeting in MI and finished the month of January in SC, going to TX and VA in the middle. God truly blessed us with sweet churches to visit and some good drop-ins that were made.

On our way to TX after picking up the camper we were going through LA and we lost all power on I-20. My first reaction was that we had more turbo problems like we did at Christmas while we were home, but the problem was far more simple than that. The tube from the turbo to the engine had come off of the turbo, so it was an easy fix on the side of I-20 and we were on the road again.

While we were traveling in the hills of TN from TX to VA we again lost all turbo power, but this time we heard a loud "POP!" The other end of the tube had come off of the engine and we nursed it for a few miles until we were able to find a mechanic. It was a simple fix and God had a meeting for us with him, it was fixed in a few minutes and he did not charge us at all.

During our stay in SC, we met a sweet elderly lady named Han while having lunch. We had the opportunity to speak with her and by the end of our lunch she had a Gospel tract. Please pray with us for her salvation! As emphasized in the conferences we have been in, there is always a chance to share God's Word.
