### Emrys & Theo

Theo is talking and quite the comedian around the house.

Emrys is turning 3 soon and is looking forward to his "happy cake" (birthday cake) as he likes to call it.

Both boys have loved the warm summer days of playing on their swing set and digging in the dirt.

## Deputation updates

Thank you for your faithful prayers and support! Even with all of our meetings being either canceled or rescheduled for later, God has provided for our needs. We are parked in Michigan near our home church, and God has provided a temporary place for me to work and provide for our family during our time off the road.

With our pastor's blessing, we were encouraged to take a pause from our travels and concentrate on refreshing and improving our materials and presentation while waiting on churches to begin scheduling meetings again. Please pray for wisdom to know when to get back on the road and for God to open doors for us to begin scheduling meetings again.

During this unexpected time off the road, God has given us extra time to read His Word, to read missionary biographies, and to prepare ourselves more for our future ministry in Italy. The harvest truly is plenteous, but the laborers are few. God has used these uncertain times to renew our burden for the people of Italy. They have suffered much loss during these past few months. Many died without Christ. They are lost and without hope. Would you pray with me that God will send more laborers to tell them of the blessed hope we have in Jesus Christ?
