Updates From the Road

It has been a blessing and privilege to be able to be back on the road a few times this past month! We were able to present in three different churches between Illinois and North Dakota. We enjoyed seeing God's beautiful creation while driving through the Upper Peninsula and Minnesota watching the changing of the colors!

Our hearts were challenged in the missions conference in Indiana with some great preaching from the keynote speaker and fellowship with other missionaries on deputation and furlough. I find it encouraging to speak with missionaries who have been on the field for 30+ years and still speak of the country and the people with such a young love as if they had just arrived! I pray that God will keep that love for Italy and her people within our hearts always!

We have received news in the past few months from missionaries in Italy that a baptism has taken place and a family has accepted Christ as their Savior! Please keep these families in your prayers and they are being disciplined. May God use them in a mighty way! Pray for us as I continue to make meetings and as we wait for the arrival of our baby boy!
