## Missionaries to Italy

### Praise Reports

- Surgery went and recovery went well and a good report from the doctor.
- While we were home during the end of the year staying in the Fifth-wheel the camper stayed warm and nothing froze-up beyond easy maintenance.

### Prayer Requests

- The hearts of the Italians to be softened.
- The work of other missionaries in Italy to be blessed.
- Our calendar to continue to fill with meetings for this year

### Our Boys

- All three boys have adjusted well to being back in the fifth wheel, on the road, and in new churches.

### Updates From the Road

Dear praying churches and friends,

We would like to thank you for praying for us, we have definitely felt them and what a blessing to know that people lift us up before God's throne! In our last prayer letter we had a date set for my outpatient surgery, due to some unexpected events the surgery was pushed out to December 21st. Surgery went well and I am almost back to feeling 100%. Thanks be to God that I was given clearance to continue to our first meeting of the new year in southern Mississippi.

For the next few months we will be south for our meetings. Please pray with us that meetings would continue to line up quickly and that we will have safety on the roads. As far as a family update, the boys have adjusted well to traveling again and Felix has been a trooper! As always, we ask you to pray along with us for the people of Italy; for their hearts to be softened toward the Gospel, for the missionaries to stay encouraged and that their churches would continue to grow and see souls saved! We are blessed and excited to be back on the road, doing what the Lord has called us to do!

Thank you for your prayers and support!

In Christ,
