### Our Boys

- All three boys have adjusted well to being back in the fifth wheel, on the road, and in new churches.

### Updates From the Road

Dear praying Churches and friends,

The month of January was busy and fruitful! It was our first full month being back on the road, full time with meetings. We started south with our first meeting in Mississippi and had a wonderful missions conference. We have seen God's hand of protection many times while on the road. As we were making our way to South Carolina, just about 4 miles away from the campground we were stopping at for the night, we had a camper tire blow out. We pulled over and Mike, the man working at the campground found us on the side of the road and helped Trevor load up the bad tire and we "limped" the camper into the campground for the night. Mike was a blessing, please pray with us for his salvation!

From there we had a meeting in South Carolina where Trevor was able to present and preach in a Spanish church. He preached through an interpreter and by the end of the night, Trevor was approached by Delvin, a member of the church, saying he had felt God leading him to missions and that he felt a burden for Italy! Please pray along with us that Delvin would heed the call to missions and continue to follow the Lord's leading. As exciting it is for us to present our burden of Italy to different people, it makes it all the more worth it to see others answer the call to missions! What a humbling experience to see how God uses his people.

We had many good drop-ins and through one of the churches we visited, Trevor was invited to present and preach to a Senior Saints meeting. Here for the next month we will be making our way from Mississippi to Florida, please pray for our safety in traveling. The boys have been doing well and are thoroughly enjoying the nicer weather to run and ride their bikes outside. Your prayers mean more than you would ever understand. Thank you for your faithfulness!

In Christ,  
Trevor Deneau
