Updates From the Road

Dear praying churches and friends,

Our traveling in February has had us from Mississippi to Florida. We have been in quite a few missions conferences and the Lord has really blessed! Praising God for the warm weather while praying for those who were effected by the ice and winter storms that crossed the country. While settled in Florida we were put in contact with a good Christian mechanic that was able to put new brakes and rotors on the truck, so now it's running smooth once again. God has really blessed us by giving us a clothes dryer for the camper that we are able to use so that we are not having to dry clothes outside in the rain and moisture any longer. Though some of these "conveniences" are little, they are things that we have been praying about, and God takes care of his children in every way!

We had a small break between meetings in which the Lord provided some great drop-ins that look promising for future meetings! Our calendar has been filling up nicely and it is a joy to share about the great need in Italy. Please continue to pray for our safety on the road, for meetings to fill up and for the Gospel in Italy to be continually shared!
