### Updates From the Road

Dear praying churches and friends,

March was an eventful month of meetings! We were able to spend the month between Florida and Texas. During the month we also received word that we were taken on by two new supporting churches in Mississippi!

While in Florida we were blessed to take part in a wonderful missions conference! They had a great theme and the preaching very much stirred and encouraged our hearts. In fact, this was our first meeting that we were invited to stay with a family from the church. We had a great time with this family and the boys did great, even though away from our home on wheels. The Lord taught us much during this conference and it will remain etched in our hearts!

Deputation is going well and we look forward to our meetings coming up! Please keep praying for safety in our travel and for our health as Sabrina has been dealing with off and on ear aches. We appreciate your prayers and well wishes!

Thank you for your faithfulness,  
The Deneau family
