Updates From the Road

Dear praying Churches and friends,

The month of May has been fruitful and we have seen the Lord working. Our meetings took us from Tennessee to North Carolina and Florida. We had one meeting in North Carolina with a very sweet church and then we began our journey to Florida. In a Sunday meeting we had, I was able to preach and present our burden during the morning service and in the evening both my wife and I gave our testimonies before the church. We enjoyed sweet fellowship with the pastor and his family during the days we were there and the boys had a blast playing with their children!

While in Florida we were able to present in the church that we graduated college from. It was a blessing to be able to go back and see many familiar faces as well as so many new faces involved in the ministry there. God has been faithful in meeting our needs and knitting our hearts with the churches we have been privileged to present in. God has blessed us with two new supporting churches!

Please keep us in prayer as we travel to Michigan for Dr. Appointments and meetings. All of us are looking forward to seeing family back in Michigan that we have not seen in about six months! Also please keep my wife Sabrina in special prayer, she has an outpatient, routine procedure that will take place in the hospital on the 17th of June. Pray that she will not be nervous as she is not a fan of being in the hospital. And lastly we continue to ask prayer for the people of Italy and the missionaries who are serving the Lord there currently.

Thank you for your faithfulness in praying for us!

In Christ,
Trevor Deneau
