Updates From the Road

Dear praying churches and friends,

The month of June has sped by in a hurry! We drove from Florida to Michigan and had many meetings scheduled in the northern area of Michigan. We were able to present and fellowship with new churches and have had one new church promise support.

While in Michigan we spent time with family and had the opportunity to fellowship with our home church that we haven't seen in the past six months. What a blessing and encouragement it is to spend time with friends! The boys got to spend a little bit of time in our home church's VBS, with a space theme. Emrys enjoyed his first time getting to participate!

Our calendar schedule is continually filling up and we are praising God for the meetings! The next few months are quite full and we look forward to being able to present the need of the Gospel in Italy. We would like to thank you for praying for Sabrina with the procedure she had this past month, the procedure went well and the results came back all clear. Please continue to pray for the souls of Italy and the missionaries serving there. As we have been praying and asking for prayer for more laborers in the country of Italy, we have just heard of another family who has surrendered to the field. Thank you for your faithfulness!

In Christ,
Trevor Deneau
