## Missionaries to Italy

### Praise Reports

- We have made more meetings this last month for the rest of the year, but we still have some "pockets" to fill.

### Prayer Requests

- The hearts of the Italians to be softened.
- The work of other missionaries in Italy to be blessed, and God to continue to call new missionaries.
- Our calendar to continue to fill with meetings for this year and next.
- Safety on the roads as we travel.

### Our Boys

- Felix is still getting over Bronchiolitis, though he seems to be recovering quickly.
- Emrys and Theo will be starting Preschool soon.

### Updates From the Road

Dear praying churches and friends,

The summer months have been flying by! In July we put about 3,500 miles on the truck. The Lord had us in meetings as far west as we have been yet. States as far west as Montana in July and back east to Kentucky and Ohio in early August. Our time has been fruitful and God has been so faithful. He has given us safety on the road, overall good health, and great fellowship with the churches we have presented in.

Though the miles and days traveling seem to be long, the churches that we have been in have been sweet, refreshing, and encouraging. One church in particular, was a busy missions conference where Sabrina and I were able to sing with all of the other missionaries. We sang *How Great Thou Art* in all of the known languages represented by the missionaries, demonstrating that no matter what language it is that we are using to reach people, we worship God the same way.

This past week our family has come down with a cold, that for Felix turned into a hospital visit. The doctor diagnosed him with Bronchiolitis (child's Bronchitis). Please pray for his continued recovery.

The beginning of August, Emrys celebrated his fourth birthday. How time passes so quickly, it seems like just the other day I was holding him for the first time. It reminds me that we will be done here and headed to the field before we realize it.

In Christ,
