### Updates From the Road

Dear Praying Churches and Friends,

The months are flying by and the holidays are already upon us! We have been doing a decent bit of traveling and spent majority of our time this past month in Ohio. We have been blessed to participate in a few different mission conferences and many meetings. Another church has taken us on for support, Praise the Lord! This month I had the opportunity to preach in our home church, what a blessing that was!

Here in about a week we will be on our way to Alabama for the month until Christmas. The Lord changed our plans a bit and instead of being on our own for Thanksgiving, we have spent it with our home church and with our family. The Lord's ways are perfect and what a blessing it was to us and our boys to know we would be home!

Thank you for your faithful prayers and support! There was a problem with our camper fridge recently, which could have been disastrous to say the least (praise God for his hand of protection). Thankfully we were able to find a new fridge to replace it with and I had help with the modifications when a missionary friend came over. They were a huge help and blessing.

As thanksgiving comes and goes, let us remember often all we have to be thankful for; our salvation, our health, our family, our freedoms and our country, and the opportunities God gives us to share His love for others. May we be able to share the Gospel with someone this week!

We hope you had a wonderful Thanksgiving!

In Christ,
