Updates From the Road

Dear praying churches and friends,

We have had a very busy last few weeks since our last prayer letter. We just got word today that we were taken on for support by another church we had visited last month! Praise the Lord this should take us to the 20% mark! The Lord's timing is perfect and we can not wait to be serving Him in Italy but until that day comes we will gladly serve Him wherever He takes us.

We left Michigan and made our way to Alabama and the weather and time spent here has been beautiful. While spending time with a church we were presenting at, I was able to go soul winning with them on Saturday, and on Sunday during the church services we were able to see many of the fruits from their labor. They had almost a dozen visitors due to their soul winning program, many who had been visited the day prior. What a blessing to witness this! Two young girls accepted Christ in the children's service that day as well!

With Christmas coming soon we will leave our camper here in Alabama when we go back to Michigan to spend some time with our families. Would you please pray that the Lord would soften the hearts of Sabrina's family, that we would be able to share the true meaning of Christmas with them? Also would you pray for the safety on the roads for my extended family as many are traveling in from out of state this year. We thank you so much for your prayers, they absolutely mean so much to us! We will be praying that you and your church would have a blessed Christmas, celebrating the birth of our Savior!

In Christ
