Updates From the Road

Dear Praying Churches and Friends,

We hope you all had a wonderful Christmas and New Year! The family and I had a great time spent in Michigan with both sides of our families. We spent some time at our home church and was able to have a meeting the day after Christmas right before the boys got sick. The rest of our time spent home was letting the boys recoup from their colds. Praise the Lord they are feeling much better! We thank you so much for your prayers, during the holidays we had a visit to the E.R. with Felix for his first set of stitches. He got two small stitches on his forehead and was able to get them out right before we left for Alabama again.

While traveling from MI to AL we stopped in Nashville right after the large snow system had run through. The roads were slick and traffic was slow moving but are we ever so thankful and grateful for God's hand of protection. As we were driving we spun out on the highway and completely turned the truck around facing the oncoming traffic and stopped mere inches from the guard rails. The oncoming traffic was far enough behind that they slowed down enough for us to restart the truck and get going in the correct direction. Whether someone might have prayed for us that day; we simply could not do deputation without the Lord first and your prayers second. Please continue to pray for us, you would never know how much we love and appreciate them!

We just finished up a missions conference and will be between Alabama and Georgia for the next few weeks. Please pray for the country of Italy and the missionaries serving there, that they may stay encouraged and see much fruit. For the people and churches we come across that we will be a blessing and encouragement to them and lastly that the Lord would call more missionaries to Italy and other countries around the world. From the bottoms of our hearts thank you for your faithful prayers and support.

In Christ,
Trevor Deneau
