## Updates From the Road

Dear Praying Churches and Friends,

Thank you for your continued prayers and support. The month of February has been good! We have been between Alabama and Georgia for quite some time with meetings. We have done some drop-ins that have gone very well; some have already turned into meetings, others are waiting to set a date. During our time on the road we were able to fellowship with some fellow missionaries and what a blessing that was! We came away from our time with them encouraged and refreshed. We also received word this month that we were taken on by two more supporters. Praise the Lord for His faithfulness! For the upcoming month we have a full schedule and will be scattered between a few different states.

The boys have been doing well! As we teach our boys about the Lord and what they learn in church, we have talked to them about Heaven and what God designed it for. During these times of teaching, Emrys has expressed concern of “not wanting to go to Heaven today”; while we have assured him that it’s a beautiful place we did not want to press the issue but rather pray and let the Lord work on his heart. Well some time had passed and one morning he mentioned to us that, “he told God that we wants to go to Heaven”. Digging a little further and figuring it was not a testimony of salvation, it is such a wonderful thing to see his heart is tender to the Lord. Would you pray along with us that he would open his heart to the Lord for salvation and that the Lord would continue to give us wisdom in how to guide our boys.

In Christ,
