Updates From the Road

Dear Praying Churches and Friends,

Thank you so much for your faithfulness in support! The time on the road has been flying by and the Lord has been blessing with the different meetings and drop-ins we have had. We had a meeting in Oklahoma this month with a younger church and the family and I were able to help them canvas some neighborhoods, the boys especially loved going door to door passing out the invitations. This month we have been between MI, OK, and

Ohio, praise the Lord we have had safety in our many miles on the road! We were able to spend time with a family who lived in Italy for a period of time and through our fellowship with them it makes our hearts even the more eager to get to the field.

We would like to say a special thank you for those who have praying for Emrys with his ongoing health need. He had a recent appointment that cleared up many of our questions and as of right now it seems we are on the right track regarding his health! Please continue to pray for our health, safety in travel and for those in Italy. We look forward to our meetings coming up this month and what the Lord has in store! We are grateful to have reached the 25% mark with another church taking us on for prayer and financial support this month!

In Christ,
Trevor Deneau
